> Hi Mia, just a quick line to thank you and crew of The Glass Island boat for our new yeras eve cruise. It was fantastic, plenty of delicious food and plenty of alcohol (too much)! The crew really looked after us, and the view of the whole parade and firework display was second to none.

It was the best New year ever spent. We would definitely recommend this cruise to friends & family.

Happy new Year from Billy & Sharon

Good Morning Mia----Many thanks for providing us with a very special NYE celebration! We were completely impressed with the effort the crew made for us. The food and drink were plentiful and quite delicious and the people we met onboard enhanced the evening. Nothing could have been better. WELL DONE! Would you know of anyone who made a DVD of the fireworks display and if so who we would need to contact in order to purchase a copy. Thanks again and best wishes for a safe, healthy, and prosperous New Year. Cheers, John and Jane Indorf

First of all I want to wish you all the best for 2010!

We returned to Germany last weekend after having a fantastic time in Australia. And the highlight of our holiday was definitely celebrating NYE on Sydney Glass Island!

Thank you very much for sending the tickets to our hotel in Sydney – everything worked out fine!

We had a fantastic NYE-Celebration and want to say THANK YOU for the unforgettable stay on your vessel!

Greetings from snowy Germany

Importance: High

Hi Mia

Just wanted to let you know that we had a fabulous time on board Sydney Glass Island on NY Eve 09. We were on holiday from the UK and this was the highlight of our trip. The boat including being part of the lights parade, staff, food, drinks, whole atmosphere were superb and then to top it all the midnight fireworks display viewed from the exclusion zone was just brilliant.

If we are lucky enough to be on holiday again in Sydney in future years around New Year we wouldn't hesitate to book this cruise again and would definitely recommend it to family and friends.

Many thanks

Judith & Jed Howorth

To SYDNEY GLASS ISLAND and all who were involved with our NEW YEARS EVE CRUISE,

A BIG THANK YOU, and WOW!! what a great night we had, you all certainly made us feel so welcome and the FOOD, DRINKS, MUSIC and SERVICE with FRIENDLY FACES , FANTASTIC CRUISE around the Harbor, top off with great fire works.

It was worth the trip down from Townsville to be apart off, our son that recommended it was so right, that we would enjoy as he had been on before and highly recommended your boat, now we can pass on the recommendation also.

Is it possible to tell us what the name of the Bubbly you served as we arrived was please, I did ask but funny some how I do not remember 🍷 it was certainly to our taste and hopefully we will be able to find in Townsville.

Thanking you again

ROSS and JULIE CAMERON.

What can we say,

What an absolute fantastic time we both have had over the past couple of weeks, the highlight of course has to be New Years Eve, we cannot thank you enough for giving us the treat of a lifetime, being on that boat in the middle of the harbour while the fireworks went off was just absolutely awesome. thankyou, thankyou, thankyou

Thanks again Mia

I would recommend the Sydney Glass Island to anyone

Now that the dust has settled on the New Year and we have returned home to the UK. I just wanted to drop you a quick line to say thank you for such a fantastic evening on New Years Eve.

From the outset the evening was amazing and with the fireworks at the end of the night it became an evening I am likely never to forget.
