

SYDNEY GLASS ISLAND - VIVID BOARDING TIMES

Please be aware Sydney Glass Island as a company do not have control over the wharfs.

Please ensure you do leave plenty of time to arrive to the wharf prior to the scheduled pick up.

Please be aware that the wharfs do get extremely busy, we appreciate a one line formation to be made at the wharf, no pushing & allowing for other boats to board & Disembark Passengers. Your patience is greatly appreciated prior to boarding.

Please have your boarding passes ready to show to a Sydney Glass Island representative prior to boarding (on your phone or a printed copy)
